

Ascension

INTRO

When I was a child
I sang with angels

God did lift me up
And gave me wings to fly
Lord of all creation
His grace ascends on high

Now I have grown old
I sing with angels
Amen

Soon I will be free
Then I will hold her
Again

God will lift us up
And give us wings to fly
Lord of all creation
His grace ascends on high

When I was a child
I sang with angels
Amen
